Hear My Songs of Praise

For clearer understanding on the part of the general reader, it must be stated that Occult Science recognizes Seven Cosmical Elements - four entirely physical, and the fifth Ether semi-material, as it will become visible in the air towards the end of our Fourth Round, to reign supreme over the others during the whole of the Fifth. Now some humans have returned, perhaps to forge a new link between the two species.

Enchantments: A novel of Rasputin's daughter and the Romanovs

This outsourcing opportunity also seemed to carry little risk, given that it was overseen by the ACP: a trusted industry representative that was willing to partially fund the process. This chapter begins with a description of the so-called Night of Broken Glass Reichskristallnacht the officially organized pogrom against German Jews that occurred on November 9, Von Salomon and his female companion Ille experience the pogrom while strolling around their bourgeois neighborhood of Charlottenburg in Berlin, where they see SA thugs breaking the windows of stores owned by Jews.
