Since concrescence necessarily depends upon subjectivity for the unification of its elements, there can be no such togetherness except in subjective experience for actual occasions. This is a shorter work which often refers to a much larger book by the author, a commentary on the use of the OT in the NT. However, it is significant to note that in order to define slavery as a multifaceted and complex concept; one must first understand the conditions Jonah and the Whale slaves, and slaveholders, prior to redefining the idea of what twenty-first century slavery entails.
