The binary codes set some distinctions between a positive and negative value and divide the world in two halves. There is a belief that unites the exotic-animal owners of Ohio: If only the right people had listened, what happened with Terry Thompson-and all the trouble now following in its wake-could have been avoided. Instead, it continually evolves and fluctuates, so that Zola and Verga can engage in an "antagonist dialogue" with it 34though the degree and nature of this antagonism varies from author to author and from work to work.
