## **Baba Goo: Book 4**

I've read the first chapter or so of the book and I've found it to be a refreshingly honest and frequently hilarious critique of religiosity and all of its vices. As the air, being one, on entering the world, is assimilated to form after form; so the inner Self of all being is assimilated to form after form, and yet remains outside .

## **The Wrath Of The Gods**

My darling, I have wronged you  
Down the devil's path I have  
roamed  
Regret, sadness and sorrow  
Now in my soul have found a  
home  
My sweet Caroline  
From your loving arms I've strayed  
In your heart may you find  
Yeah, forgiveness I pray  
A fool to temptation  
Oh, I surely played  
I come to you for salvation  
Have mercy in love's name  
My sweet Caroline  
From your loving arms I've strayed  
In your heart may you find  
Yeah, forgiveness I pray  
The chilling cry of sin's wrath  
Sings like thunder  
through my head  
I find no rest, now no comfort  
In a cold dark lonely bed  
My sweet Caroline  
From your loving arms I've strayed  
In your heart may you find  
Yeah, forgiveness I pray  
My sweet Caroline  
From your loving arms I've strayed  
In your heart may you find  
Yeah, forgiveness I pray.
