Weird Insectia: I feel fine

Fables by Immaculate Machine ... Here African philosophy, in certain respects, has remained close to its ultimate rootedness in the everyday experience of people living in historic communities be they agricultural villages, cattle posts, royal capitals or migratory bands -seeking to conceptualise and to understand the world around them and to survive in the face of both outside threats of a political, military as well as environmental nature and of the inces-

sant internal centrifugal tendencies inherent in any human social group.

The Art of Letting Go

Check out our features. Tuned in with God he could for the first time really see and enjoy God's Eden and sing with God's birds in earth's paradise songs which none but the Lord's own children ever sing.

Social Development (The Review of Personality and Social Psychology)

Ask yourself this: will more lying, more isolating, and more of the same make you feel better.

The Social Media BIG Book

And then, there is his not-so-private life: marriages, divorces and affairs with some of the world's most beautiful women - Bond girls, movie stars and supermodels - and a brush with cancer which very nearly saw it all slip away.
