The Industrialization of Rural China

Keen posits a similar point arguing "narrative fiction may in fact enhance the potential for subjects to respond feelingly to situations and characters, disarming them of their customary suspicions and learned caution" Harrison also contends that psychological research continues to indicate that despite the "powerful constraint of similarity bias on interpersonal empathy, empathizing with fictional characters

who are different from ourselves does not face the same impediment" In other words, the novels that will be explicated permit readers, specifically mother-employers and nannies, to travel to places that may be unavailable other than via an imagined landscape due to emotional safeguards and other personal agendas.

1000 Plus Household Hints

Sadly churches can fall into a rut where they are more about their traditions and rules than the intent of the Gospel.
